WASHINGTON

MEMORANDUM FOR Assistant Secretary of the Army (Installations, Energy and Environment)

SUBJECT: Delegation of Department of Defense Executive Agent Responsibilities for the Unexploded Ordnance Center of Excellence

1. References:

(a) Department of Defense Directive (DoDD) 5101.1, DoD Executive Agent, September 3, 2002, as changed on May 9, 2003.

(b) DoDD 5101.13E, DoD Executive Agent for the Unexploded Ordnance Center of Excellence (UXOCOE), March 2, 2006, certified current as of November 1, 2011.

2. Subject to the conditions below and in accordance with DoDD 5101.1 (reference 1(a)), paragraph 4.3, I hereby delegate to the Assistant Secretary of the Army (Installations, Energy and Environment) (ASA (IE&E)) all of the DoD Executive Agent responsibility, functions and authorities assigned to me by the Deputy Secretary of Defense in DoDD 5101.13E (reference 1(b)) to manage and oversee the UXOCOE and carry out the purposes of the UXOCOE.

3. Unless expressly prohibited or restricted by law, directive, regulation, or policy, or as set forth herein, the ASA (IE&E) may re-delegate this authority to an officer in a grade no lower than General Officer or an employee who is a member of the Senior Executive Service. No further re-delegation is authorized.

4. Should the ASA (IE&E) elect to re-delegate this authority, she will remain cognizant of and accountable for all actions taken in the exercise of this authority by those who have been delegated this authority at any level. In any re-delegation in accordance with this authority, the Assistant Secretary may further restrict or condition her delegate's exercise of authority. A re-delegation of authority shall not be effective unless it is in writing, signed by the Assistant Secretary and has been determined not to be legally objectionable upon review by the Office of the Army General Counsel. No re-delegation shall take effect until a record copy of same has been provided to the Office of the Administrative Assistant for archiving. I will hold the ASA (IE&E) responsible for any and all actions taken pursuant to this delegation or any re-delegation thereof. Should conditions warrant, the Assistant Secretary will suspend the use of and/or rescind further delegation of the authority, as appropriate.

SUBJECT: Delegation of Department of Defense Executive Agent Responsibilities for the Unexploded Ordnance Center of Excellence

5. Although not a limitation on the Assistant Secretary's authority to act in my behalf, in those cases where a proposed decision represents a change in precedent or policy; is of significant White House, Congressional, Department or public interest; or has been or should be, of interest or concern to me, for any reason, the Assistant Secretary will brief me prior to the decision unless the exigencies of the situation preclude such action. The Assistant Secretary will continue my practice of coordination with the Office of the Army General Counsel.

6. This authority is effective immediately, supersedes all previous delegations of the authority established in reference (a) and expires January 31, 2015, unless earlier revoked, modified or rescinded.
